MARKET OF MEXICO.

The Gathering at the Market Place. What May be Bought There-The Eating Stands-Lepers and Beggars-Various Strange Sights.

Sunday in place of being a day of rest is the chief working day in the week in all the markets of the republic. Indeed it is said that the benats of burden know when Sunday comes by the extra amount of work required of them. Then it is the als various products from the distant nches so as to reach the Sunday market. Hundreds of pack mules and burros

ded with hay, corn, wood, charcoal and chers' supplies are hurried on by the on muleteros. There are long trains of bersome, two wheeled carts fitted with vats for pulque and others with goat skins The ranchero is bringing up rear. He is mounted on a fine horse nd carries a lasso, sword and pistol by s side, and usually wears a pair of fancy ather pantaloons with a couple of rows silver buckles on the seam from the ckets to the shoe tops. Then along the hway on either side of the road we see Indians and inestizos, or half eds, hurrying on in a jog trot under ads of fruit, vegetables, earthenware, illrush mats, baskets of eggs, butter, clubber cheese and coops of chickens, etc.

shoeless and hatless, and in addition to families plod on in this style for fifty or seventy-live miles with a load of produc absolute control over these organs in | most of which they will spend for pulque and mescal before they leave the city, yet they will return home after a week's trip just as happy as if they had laid up the whole amount for old age.

SIGHTS IN THE MARKETS. The articles seen in the market I will which I had heard marvelous results. Ing a recent Sunday morning visit. One department is under cover and is filled with assorted fruits, including oranges, lemons, limes, pineapples, pears, peaches, esconnuts and many other tropical fruits, New York prices. The streets and sidewalks in the vicinity are lined with men, women and children, who are seated on the ground surrounded by their market pigeons, unweaned puppies, game chickens, pet lambs, haltered pigs and kids, dice, I gave it a thorough trial, as I was Then there are heaps of old fron, bird cages, cheap calico, brass jewelry, boiled corn, potatoes, stewed pumpkins, beans, sepper, cooked and raw pig's feet, sheep emis, hearts, lights and entrails. There are also flints and tinder for starting fires. metal mounted stone for grinding corn, roots, bark and medical berbs and dye

hoppers; each are cooked whole and eaten common grasshopper, but are entirely red, but as to looks I would just as soon the eggs of the swamp fly and boil them into a paste and eat them with salt, chill are each sold in the market. The ormer is somewhat smaller than the house fly, while the eggs are about the size and color of a hay seed. In fact everything is eaten here that the human omach will digest or anything that is

A MOTLEY MIXTURE. Passing on we see women selling flowers, incense, gum, cane and corn stalks. eigarettes, eigar stumps, pulque, stale bread, bullrush mats, second hand combs, and tooth brushes, Aztec images of gods. sacred images and pictures, hot soup, icbooks, was funges, hairless bluish poodle dogs, cakes made for the dead, also others made in the form of the crucifly, the Virgin, saints and angels.

Among this motley mixture there are to be seen bubles half naked and bubles com pletely naked running at large. In fact numerous entire families of Mexican citi come and spend ak day in the mar since. This is their home and they bring all their domestic animal The market presents a continued as every vester keeps up a concry, which he gives in Spanish cometimes in the Aztec or native in dialect, the kind, quality and price

of all be has to sell. Each stand has a pole about eight feet high, upon the top of which there is a flat work covered with a bullrush mat. This is the only protection from sun and and under such shelter we find the and soup stands. In these popular stands every article of food that ot scald or burn is dished out by for other things they use large ey would discipline him."

"The doctor replied that he allowed for what they seldom fail to find. Then there are scores of lepers and beg

gars sleeping and lounging about gatherse beggars crowd the market place, confront every class of visitors and expect to be paid for the exhibition they present. There are also many other phases of life among the lowly common sights every day, but for the sake of propriety and decency are not spoken of, -Mexico Cor. Detroit Free Press.

Unity of Human Speech. M. Maldant, a civil engineer of Paris, has organized a society for creating "An ternational and Natural Language. M. Maldant is a man of great clever ness and family influence, he has obtained state patronage for his attempt to restore unity to human speech, and he hopes to have made good progress by the time the Effel Tower of Babel will be constructed in 1889. The principles of the revolution which are of universal application, and the Declaration of the Rights of Man are to be proclaimed there in 1889 in his general tongue - New York World.
